

## Responsibilities of a CMP Committee Member

- Expected to commit to a minimum of five years on the committee
- Attend and teach at summer and winter workshops
  - Summer Workshop is a 5-day workshop typically held late June or early July
  - Winter Workshop is a 2-day weekend workshop typically held the first weekend in February
- Attend three meetings a year. These meetings are designed to both manage the logistics of running the summer workshop and to offer the committee opportunities to engage in rich discussion pertaining to a point of the model. This discussion is critical to the ongoing evolution and longevity of the CMP Project.
  - Pre-workshop 2-day retreat; this meeting is always attached to the workshop date
  - Fall 1-day workshop review; scheduled annually
  - Winter 1-day meeting; scheduled annually
- Work throughout the year on various projects that grow/benefit the project as a whole
