

# Save the Date: Wisconsin Drive-in Day

Wednesday, February 12, 2020

The Wisconsin Music Educators Association (WMEA) Advocacy Committee needs your help!

**The Event:** On February 12, 2020, the WMEA Advocacy Committee will host the Wisconsin Drive-In Day at the Capitol in Madison. At this annual event, participants meet with Wisconsin legislators to advocate for music education.

**The Goal:** The WMEA Advocacy Committee is asking for strong participation at the Wisconsin Drive-In Day, including representatives from all districts in which state legislators serve on the WI Committee on Education. Please join us in Madison to advocate for music education - we need your voice at this important event!

*Unsure of how to effectively speak with your state legislator? The Wisconsin Drive-In Day includes training for all participants in the morning before we walk to the Capitol together.*

**Additional Information:** Please visit the WMEA Advocacy Committee website (<http://wame.wmeamusic.org>) and/or WMEA social media pages (Facebook - <https://www.facebook.com/WMEAMusic> and Twitter - <https://twitter.com/WMEAMusic>) for additional information about the 2020 Wisconsin Drive-In Day.

## **What is the WMEA Advocacy Committee?**

One of the central charges of WMEA is advocacy for music education. As such the WMEA Advocacy Committee coordinates and leads advocacy-related items and agendas for music educators across the state of Wisconsin.
