

# Wisconsin State Music Conference

## October 25-28, 2023 - Madison, WI

---

### Aspiring Music Majors FAQ's

Thank you for registering to be a part of the Aspiring Music Majors (AMM) Exhibit Hall Experience. Exhibitors like you are going to make this a memorable day for our AMM participating students.

---

#### **Exhibit Hall Experience**

From 12:30 a.m. - 1:30 p.m. Aspiring Music Major participants will be visiting with AMM participating exhibitors. Interact with students asking about their participation, music goals, or anything else that gets them talking about your work and your products. After doing so, if you wish, share a small token item with each visiting student.

#### **Table Tent**

Please display your Aspiring Music Majors table tent in a clear viewing area so students and parents know where to stop in. Feel free to display it both Thursday and Friday to show all visitors your great support of these future music educators.

#### **Where and when do we drop off our end of Friday prizes?**

Smaller items (pens, kazoo's, etc.) should be kept at your booth and given directly to students when they visit your booth. Larger prizes for the end of the day on Friday should be dropped off at the exhibitor check in desk on Thursday between 12 pm - 5 pm. Please sign the check off list when dropping off your prize.

#### **May participating exhibitors collect the participating student's name and school?**

To protect the privacy of our participating students, we will not be sending out a list of student names or their schools to exhibitors. Parents and students over 18 may share their contact info with you. However, if the student is under 18, we ask that you do not collect their name or school information. (You can certainly give your contact info to them in the form of a pamphlet or business card, though!)

#### **Can we be present to give out our door prize?**

Yes! A representative from your booth is welcome to give the door prize out at the end of AMM. Prizes will be distributed beginning at 4:00 pm, so if you'd like to be present, please report to the Lecture Hall by 3:50 pm on Friday.

**Any further questions?**

Direct them to Darin at the exhibitor registration table. He'll be happy to help!
